The statements made by the petty officer in his letter to the School authorities do not appear to be based on facts. Though 20th April 1940 was a penultimate Saturday, it is not known whether he actually came on that day, since clerks on turn duty will always attend to all urgent work during holidays; in fact on a previous occasion a boy was brought on a public holiday and arrangements were made for taking his delivery. The petty officer in question appears to have come here on 22-4-40 and action was taken immediately on the same day. The statement that he was directed to take the boy to the District Magistrate on 23-4-40 is incorrect. Please see S.N.22/c.p.23 - no date was specified. The petty officer has not made mention of the fact that the District Magistrate directed him to the Special Officer i/c of Probation Work. It is not known what was done with the letter sent through him, and the boy. The D.M's present letter also does not show whether the boy was delivered at all. If approved before a reply is sent, it may be ascertained dro. from D.M. whether the boy has been handed over. (The file may be sent to D.M. after the draft in the following para issues.)

He says that the petty officer brought him to Bangalore on the 20th April and was taken to Resident's office from where he was sent to Shoolay Police Station. The petty officer was then directed to hand him over to his father through Diwan Bahadur G.Narayanaswami Chetty Garu. But as he could not meet the Probation Officer either on the 21st or 22nd the boy was handed over to his father on the 22nd instant. The boy admits that the petty officer handed over the money of Rs.20-8-0 also to his father on the same day. The boy Narayanaswami was asked to go and see Diwan Bahadur G.Narayanaswami Chetty Garu.
